The Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA), requires both the Wyoming Department of Education (WDE) and Uinta County School District Four to prepare and disseminate report cards that provide information on Wyoming and Uinta County School District Four's school performance and progress in an understandable and uniform format. This document with corresponding links to detailed information is intended to provide this valuable and interesting information to our stakeholders.

Please take some time to read through this report card and let us know how we can better serve you and the children in our community. We take very seriously the huge responsibility we play in educating the children in our community and we understand the positive impact we can have on their lives each and every day. Let's work collaboratively to ensure that all children in our district receive an outstanding education in hopes of preparing them for a successful future. Through teamwork, communication, and mutual support we can overcome the many difficulties that the world presents as we try to prepare our children for adult life.

This report card will be posted on the Uinta County School District Four website and can be accessed by clicking on the link below:

## Overview of the Wyoming Accountability in Education Act (WAEA)

The Wyoming Accountability in Education Act (WAEA) has several stated goals that are intended to achieve the following:

- See Wyoming become a national education leader among states;
- Ensure all students leave Wyoming schools career or college ready;
- Recognize student growth and increase the rate of that growth for all students;
- Recognize student achievement and minimize achievement gaps;
- Improve teacher, school, and district leader quality.
- Maximize efficiency of Wyoming education;
- Increase credibility and support for Wyoming public schools.
